

SCDHEC OFFICE OF OCEAN AND COASTAL RESOURCE MANAGEMENT
PERMIT APPLICATION PUBLIC NOTICE

August 4, 2006

Permit Number: OCRM-06-243-R
Permit ID: 55260

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: Susie Mims
C/O Newkirk Environmental Inc
PO Box 746
Mount Pleasant, SC 29465

LOCATION: On and adjacent to Atlantic Intracoastal Waterway at 17 Waterway Island, Wild Dunes, Isle of Palms, Charleston County, South Carolina.
TMS#: 604-01-00-018.

WORK: The work as proposed and shown on the attached plans consists of constructing a dock. Specifically, the applicant seeks to build a 4' x 580' walkway, with handrails, leading to a 15' x 20' covered pierhead. Floodside, a ramp will access a 10' x 30' floating dock. Ebbside, a 12' x 12', four-pile boatlift is proposed. The work as described is for the applicant's private, recreational use. **Note:** The proposed dock will extend into the AIWW and will be 151' from the center of the navigable channel maintained by the US ACOE, therefore the proposed activity qualifies for their General Permit.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

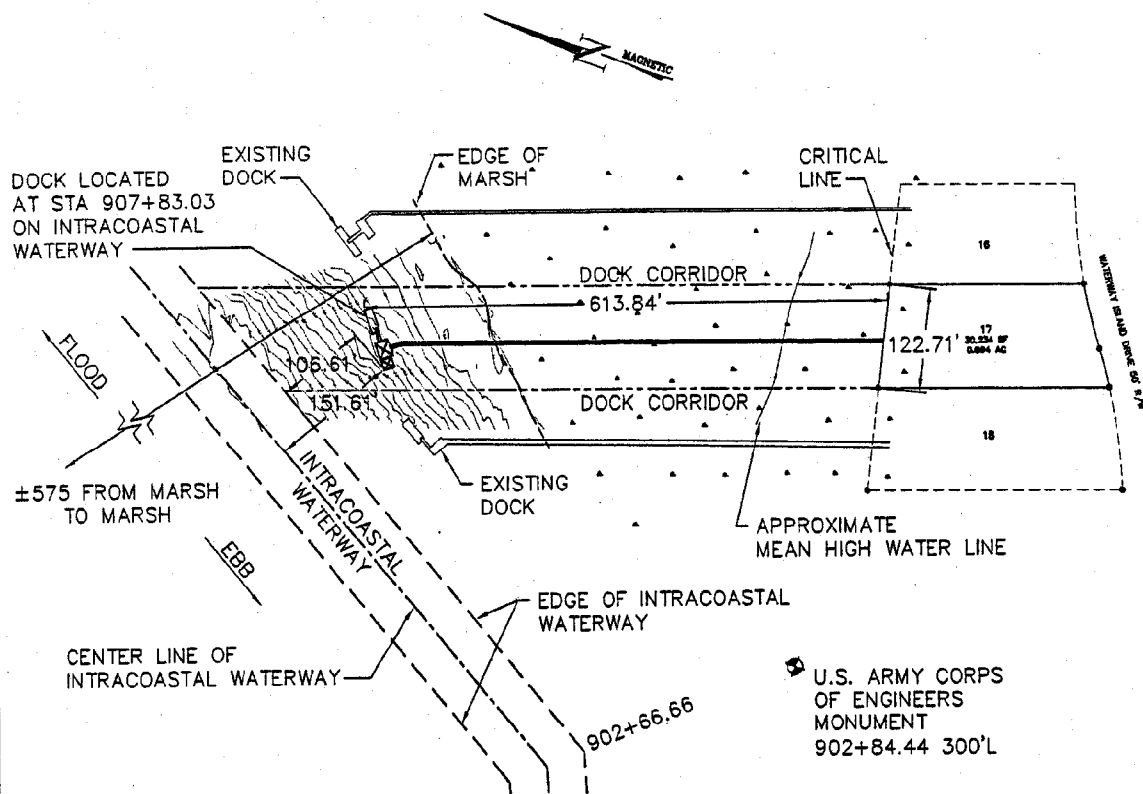

To assure review by OCRM, comments regarding this application must be received by OCRM on or before August 19, 2006. For further information please contact the project manager for this activity, Tess Rodgers at 843-747-4323 ext. 116.
